MEMORIES REMEMBERED WITH JULIE WOULTERS

A Great day of singing and dancing to all of our favourite tunes.

Resident Backpacks

We have purchased Backpacks for our facility for emergency evacuation procedures. Each backpack will be required to have a complete change of day-time and night time clothing for each resident. The bags will have room numbers and nametags to identify its owner and will be stored in residents individual room. We will be endeavouring to have this implemented shortly. We will need residents/ family members to assist in choosing clothing to go into the evacuation packpack
