Springs Babies!

We are very lucky to have 4 beautiful baby Plovers hatched here at Darlingford. They are doing really well. The south residents were very engaged watching them from the safety of their rooms travelling from the outside the CEO's office to their new home in the shed area.

What a lovely thing to see when arriving to work, that 3 large buckets of daffodils where kindly donated to welcome spring to DUGNH. A big thank you to Ellen, Michelle and Wendy. After a long foggy winter. Daffodils will bring such joy to our Residents and Staff. Thank you.

RESIDENTS MEETING

Our next Residents meetings are on

Monday 7th September and

Monday 2nd November

We invite families & Friends to join us for our meetings or if unable to attend we are more than happy to arrange a ZOOM invitation . Just provide an email address and can Zoom you in. As simple as that!

Signing in - Signing out...

It is extremely important that all visitors to Darlingford sign in on entry and sign out again when leaving the building.

Equally important is signing a resident in and out if you are taking them on an outing.

We appreciate your help.

2026 STATE ELECTION

The Victorian Electoral Commission will be forwarding Postal Voting Applications in early November to Darlingford Nursing Home for all our permanent residents. Voters can Update their details online or print a hard copy of the form at **Update my details - Australian Electoral Commission.**

A letter will be forwarded shortly asking for current enrolment status for all of our residents. Any information family can provide would be greatly appreciated

Activities

Our residents enjoy a variety of in house activities as well as outings to and around the local area.
