

# Halloween

Halloween at Darlingford continues to get better each year. Once again many local children and their families visited the facility to join the residents for a fun filled afternoon. On entering the "Haunted House" everyone enjoyed games, story telling and were treated to some very special biscuits, cakes and lollies .

A very enjoyable afternoon for all, residents, staff & children alike.

Well done to both Helen & Jeannie for putting all this together.

One of the spooky skeletons decorations that transformed the East area into the "Haunted House".

Well done to all Staff who dressed up for Halloween . Costumes were exceptional this year and definitely put a smile on a lot of residents faces.

## Visiting Pets....

Pets are most welcome to be brought in to visit residents and are thoroughly enjoyed by all. We do however require pets to be on leads when entering the facility for safety of our residents. A copy of our 'Pet Policy' is available at Reception.

## Door Codes .....

We do ask all Visitors, Family and Friends to please check with Care Staff before disclosing our door codes to residents. This is to ensure the safety of all residents at all times.

# Spring Racing Season

## *Melbourne Cup:*

Most Residents enjoyed this years Melbourne Cup Day with a small punt on the special race. Congratulations to all the residents who won in the both the \$1 & \$2 Sweeps.

## *Oaks Day:*

Oaks day was a great day with a special visit from students from Holmesglen. The group thoroughly enjoyed the day spent with our Residents and the activities of the day especially the fun of the Snail Race run by Jeanne.

A thoroughly enjoyable day had by Residents, Staff & visitors.

*Congratulations also to Iris Cronin, who won the "Best Dressed" in the Oaks Day Fashion Parade.*

## Sun Hats ....

Summer is almost here and we are in for a long hot season. The need for residents to have a sun hat especially when on outings is essential to avoid sunburn and heat related issues.

If families could please supply a hat for their loved one to wear when outdoor this would be very much appreciated.

## Tell Us What You Think....

***All Feedback and Ideas are most welcome!***

Your opinions and suggestions are very important to us and do assist us to make some quality improvements to our facility. We encourage all family and relatives to fill out our "Tell Us What You Think" form and welcome all feedback and ideas.

## *Christmas Luncheon*

Christmas Lunch is being held on Saturday 8th December at 11.30  
Our Christmas Function is always a great day for Residents to spend this festive time with Family & Friends and enjoy a great meal at the same time.  
Raffles are also held on the day with some great hampers to be won...so bring some extra money for tickets.... Never know your luck.  
No Alcohol Supplied.

***Please Note: The Christmas Lunch is now fully booked.***
